Cardholder Agreement

This Cardholder Agreement, including the Schedule of Fees and Charges, and any Privacy Notice provided to you by us (collectively referred to as this “Agreement”), sets forth the terms of your STABLE Prepaid Visa® Card. Please read it carefully and retain it for your records. Your Card is issued by **Sunrise Banks, N.A. member FDIC**, pursuant to a license from Visa U.S.A., Inc. (“**Visa**”).

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: when you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

Definitions. In this Agreement, the words “**you**” and “**your**” means the Cardholder and any Authorized Legal Representative and Authorized User of the Card. “**Cardholder**” means the person who qualified for and opened the Card Account and owns the funds in the Card Account. “**Authorized Legal Representative**” means the person authorized by the Cardholder to receive information about the Cardholder’s Card Account and to help the Cardholder personalize spending actions using the True Link Financial Protection Service. “**Authorized User**” means any person issued a Secondary Card at the request of the Cardholder and/or authorized by the Cardholder to use the Card. “**We**”, “**us**”, “**our**” and “**The Bank**” mean **Sunrise Banks**, the issuer of the Card. True Link Financial, Inc. is the third-party service provider that markets and services your Card Account and the True Link Financial Protection Service. “**Card**” means the STABLE Prepaid Visa Card that is issued to you by us. “**Card Account**” means the custodial sub-account we maintain on your behalf to account for the transactions made with your Card, Card Number or Account Number. “**Account Number**” means the 11-digit number used to identify your Card Account. “**Card Number**” means the 16-digit number embossed on your Card. “**Business days**” are Monday through Friday, excluding federal holidays. Saturday, Sunday, and federal holidays are not considered business days, even if we are open. “**PIN**” means personal identification number. “**Access Information**” means collectively your PIN, online user name, password, challenge questions, and any other security information used to access your Card Account. “**STABLE Account**” means the investment account available to eligible Cardholders through the Achieving a Better Life Experience Act and from which funds may be loaded to the Card.

Authorized Legal Representative. The True Link Financial Protection Service offered in connection with your STABLE Prepaid Visa Card permits you to authorize another person (“Authorized Legal Representative”) to obtain information about your Card Account, take certain administrative actions with respect to your Card Account and assist you in personalizing your desired spending actions or limitations. By way of example, and without limitation, the True Link Financial Protection Service permits your designated Authorized Legal Representative to view past Card transactions, define rules for declining certain types of future Card transactions, receive alerts about transactions initiated with your Card, dispute transactions, initiate action to close your Card Account and transfer out the funds, order an additional or replacement Card, arrange for the deposit of your funds to your Card Account, initiate bill payment if a bill payment service is available, and generally administer your Card Account. The Authorized Legal Representative will be issued a Secondary Card linked to your Card Account and will be an Authorized user of that Card. We do not monitor the activities of any Authorized Legal Representative and cannot verify the intentions or trustworthiness of your Authorized Legal Representative. You should not authorize an Authorized Legal Representative to act on your behalf unless you are willing to grant such person administration rights over your Card Account. The Cardholder is the owner of Card Account funds and is responsible for any Card transactions or actions taken by any Authorized Legal Representative with respect to the Card or Card Account.

Agreement to Terms. By activating or using your Card (see “Activating Your Card” below), you agree to the terms of this Agreement. If you do not agree to the terms of this Agreement or do not want to use the Card, please destroy the Card at once by cutting it in half and call us at 1-888-364-8430 to cancel your Card Account. When any provision in this Agreement states that we may take certain actions, we may do so in our sole discretion. The terms of this Agreement are subject to amendment at any time in accordance with the Change in Terms section below.

Prepaid Card. The Card is a prepaid card. The Card allows you to access funds loaded or deposited to your Card Account from your STABLE Account. Your Card Account does not constitute a checking or savings account and, except as a means to access funds deposited from your STABLE Account into your Card Account, is not connected in any way to any other account you may have. The Card is not a gift card, nor is it intended to be used for gifting purposes. The Card is not a credit card and may not provide the same rights to you as those available in credit card transactions. You will not receive any interest on the funds in your Card Account. Subject to applicable law, your Card Account will be insured by the Federal Deposit Insurance Corporation once your Card has been registered with us. The Card will remain the property of the Bank, must be surrendered upon demand and is nontransferable.

Activating Your Card. You cannot use the Card until it has been activated. To activate a personalized card, call 1-888-364-8430 and follow the instructions provided. Although no credit history is required to obtain a Card, you authorize us to obtain information about you from time to time from credit reporting agencies, your employers and other third parties for our internal processes.

Liability for Acts of Authorized Legal Representatives. If you permit another person to have access to your Card, Card Number or Account Number, or use a Secondary Card, including Authorized Legal Representatives, you are liable for all transactions made with the Card, Card Number or Account Number, and all related fees incurred, by those persons. You must notify us by calling 1-888-364-8430 or emailing card@stableaccount.com to revoke permission for any person you previously authorized to use your Card, receive a Secondary Card, or serve as an Authorized Legal Representative of your Card Account. Until we have received your revocation notice and have had a reasonable time to act on it, you are responsible for all transactions and fees incurred by you or any other person you have authorized to use or access your Card or Card Account. If you tell us to revoke another person's use of your Card or access to your Card Account, we may revoke your Card and issue a new Card with a different Card Number and/or Account Number. You are wholly responsible for the use of each Card according to the terms of this Agreement.

Using Your Card. After you receive your Card, you may use it to purchase goods and services everywhere Visa debit cards are accepted. You acknowledge that because the funds in your Card Account have been transferred from your STABLE Account, the terms and conditions of your STABLE Account may apply to limit the purposes for which you may use your Card funds. Please see your STABLE Account terms and conditions for more details regarding qualified expenses and purchases. Your card cannot be used to withdraw cash. If you do not have enough funds loaded on your Card, you can instruct the merchant to charge a part of the purchase to the Card and pay the remaining amount with other funds. These are called "split transactions," and some merchants do not permit them. Each time you use the Card to purchase goods or services, you authorize us to reduce the value available on the Card by the amount of the transaction plus applicable fees.

You agree that you will: (i) not use the Card at gambling websites or to purchase illegal goods or services; (ii) promptly notify us of any loss or theft of the Card; (iii) promptly notify us of the loss, theft, or unauthorized disclosure of any Access Information used to access the Card Account information or Card funds; (iv) not use the Card for business purposes; and (v) use the Card only as permitted by us. We may refuse to process any transaction that we believe violates the terms of this Agreement, is suspicious or fraudulent, or exceeds any settings you or your Authorized Legal Representative have established for your Card Account. Although we will use commercially reasonable efforts to decline any transactions you or your Authorized Legal Representative have specifically requested us to decline in your Card Account settings, we do not guarantee that we will be able to decline or prevent these transactions in all circumstances or at all merchants and we shall not be liable in the event you initiate and we authorize a transaction that exceeds your Card Account settings. By agreeing to these terms and conditions, you agree to the restrictions that you set on the Card.

PIN: A PIN is a four-digit code that may be used to make purchase transactions instead of signing for your transaction. Some merchants may require you to make purchases using a PIN rather than your signature. A PIN was provided to you at the time you activated the Card. Only one (1) PIN will be issued for the Card. To prevent unauthorized access to the Card balance, you agree to keep your PIN confidential. We recommend that you memorize your PIN and do not write it down. You can call 1-888-364-8430 to reset your PIN.

Limitations on Card Usage. Use of your Card is subject to the limitations set forth below, and no transaction may exceed the value available in your Card Account. For security reasons, we may further limit the amount or number of transactions you can make with your Card on a daily or monthly basis, or in the aggregate, and we may limit the dollar amount of transactions to or from your Card Account. We may increase or decrease these limits or add additional limits from time to time in our sole discretion without prior notice to you except as required by law.

Your STABLE Account is the only source of funds for a direct deposit onto your STABLE Prepaid Visa Card. For further instructions on how to make direct deposits to your Card, or how to cancel your direct deposit authorization, please see the terms and conditions of your STABLE Account. You can call us at 1-888-364-8430 or log in to your Card Account information at card.stableaccount.com to find out whether or not any direct deposit has been made to your Card.

The 16-digit Card Number embossed on your Card should not be used for these types of transactions or they will be rejected.

ONLY DIRECT DEPOSIT LOADS FROM YOUR STABLE ACCOUNT WILL BE ACCEPTED. NO OTHER LOAD TYPES ARE ALLOWED FOR THIS CARD, INCLUDING CASH LOADS AND LOADS THROUGH RETAIL LOAD NETWORKS (e.g. GreenDot, MoneyGram, Western Union, etc.).

Merchant Authorization Holds. When you use your Card Account to pay for goods or services, certain merchants may ask us to authorize the transaction in advance and may estimate its final value. When we authorize the transaction, we commit to make the requested funds available when the transaction finally settles and may place a temporary hold on your Card's funds for the amount indicated by the merchant (which may be more than the final settled transaction amount). We also may add an amount for certain merchants to ensure that sufficient funds will be available to cover the final transaction. Transactions at certain merchants that authorize high dollar amounts, especially rental car companies and hotels, may cause an "authorization" or "hold" on your available balance for up to thirty (30) days. Until the transaction finally settles or we determine that it is unlikely to be processed, the funds subject to the hold will not be available to you for other purposes. We will only charge your Card Account for the correct amount of the final transaction, however, and will release the hold on any excess amount when the transaction finally settles.

Negative Balance. Each time you initiate a Card transaction, you authorize us to reduce the funds available in your Card Account by the amount of the transaction and all associated transaction fees. You are not allowed to exceed the available amount in your Card Account through an individual transaction or a series of transactions (creating a "negative balance"). Nevertheless, if any transactions or transaction fees cause the balance in your Card Account to go negative, including any purchase transactions where the retailer or merchant does not request authorization, you shall remain fully liable to us for the amount of any negative balance and any corresponding transaction fees. We do not extend credit, so if your Card Account becomes overdrawn, you agree to pay us the overdrawn amount immediately, without further demand. We may deduct the overdraft amount from any current or future funds on this or any other Card Account you activate or maintain with us. If your Card Account has a zero or negative balance, we may, at our option, cancel your Card Account without notice.

Preauthorized Payments from Your Card. You may preauthorize a merchant to make recurring electronic funds transfers from your Card Account. If these regular payments may vary in amount, the person you are going to pay will tell you ten (10) days before the payment is due when it will be deducted from your Card Account value and how much it will be. If you have told us in advance to make regular, recurring payments from your Card Account, you can stop any of these payments by calling us at 1-888-364-8430 or emailing us at card@stableaccount.com, or writing to us at True Link Financial, Inc., PO Box 581, San Francisco, CA 94104 in time for us to receive your request at least three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Refunds for Purchases Made with the Card. Any refund for goods or services purchased with the Card Account will be made in the form of a credit to the Card. You are not entitled to receive a cash refund.

Disputes with Merchants. We are not responsible for the delivery, quality, safety, legality or any other aspect of goods and services that you purchase from others with a Card. All such disputes should be addressed to the merchants from whom the goods and services were purchased.

Reversal. Point of sale transactions cannot be reversed. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold of funds equal to the estimated purchase amount, for up to seven (7) days.

Liability for Use of Card Funds. The Bank is not the issuer or holder of your STABLE Account and has no responsibility or liability for how you spend the money on your Card, including if funds are spent on non-qualified STABLE withdrawals that have tax or benefits eligibility implications. You are solely responsible for complying with the terms and conditions of your STABLE Account, and you agree to indemnify, defend and hold the Bank harmless against any and all losses, expenses, penalties, or fines arising from any legal action, claim, demand, or proceeding brought by any third party relating to the STABLE Account program or your use of STABLE Account funds.

Receipts and Transaction History.

Receipts. You should get a receipt from the merchant at the time you make a transaction using your Card. Please note there are some merchants that choose not to provide a receipt if the amount of the transaction is \$15 or less. You should keep good records reflecting how you are spending the funds on your Card.

Card Account Balance and Transaction History. You can obtain information about the current available balance in your Card Account at no charge by calling card.stableaccount.com. You may also obtain your balance information, along with a 60-day history of your account transactions, at no charge by logging in to your Card Account at card.stableaccount.com. You also have the right to obtain a 60-day written history of account transactions by calling card.stableaccount.com by writing us at True Link Financial, Inc., PO Box 581, San Francisco, CA 94104.

Foreign Transactions. If you obtain your funds (or make a purchase) in a currency other than U.S. dollars, the amount deducted from your Card Account will be converted by the Visa into U.S. dollars. Visa will establish a currency conversion rate for this convenience using a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date, in each instance. Fees may apply for foreign transactions (see Schedule of Fees and Charges).

Change in Terms. Subject to the limitations of applicable law, we may at any time add to, delete or change the terms of this Agreement by sending you a notice of such changes. We will give you notice at least twenty-one (21) days before the effective date of any change if the change would result in: (i) increased fees you would be required to pay; (ii) increased liability for you; (iii) fewer types of available electronic fund transfers; or (iv) stricter limitations on the frequency or dollar amount of transfers. Advance notice may not be given, however, if we need to make the change immediately in order to maintain or restore the security of your Card or Card Account or any related payment system. If any such change becomes permanent and disclosure to you of the change would not jeopardize the security of the Card Account or any related payment system, we will provide notice to you within thirty (30) days after making the change.

Cancellation and Suspension. We reserve the right, in our sole discretion, to limit your use of the Card. We may refuse to issue a Card Account or may revoke Card Account privileges with or without cause or notice, other than as required by applicable law. If you would like to cancel the use of your Card, contact us at 1-888-364-8430 or card.stableaccount.com. You agree not to use or allow others to use an expired, revoked, cancelled, suspended or otherwise invalid Card. Our cancellation of Card Account privileges will not otherwise affect your rights and obligations under this Agreement. If we cancel or suspend your Card Account privileges through no fault of yours, you will be entitled to a refund of any remaining balance, as provided in this Agreement. Funds will be provided by check, made out and sent to the Cardholder. We may additionally offer you the option of a refund by card-to-bank transfer at our discretion.

Card Expiration/Settlement. Subject to applicable law, you may use the Card only through its expiration date, which is stated on the front of the Card. If you attempt to use the Card or add funds to your Card Account after the expiration date, the transactions may not be processed. If there is a balance remaining in your Card Account upon expiration, a new Card may be issued to you. You must activate any newly issued Card in order to access the funds in your Card Account. If we do not choose to issue a new Card to you or if we cancel your Card Account for any reason, we will attempt to refund to you the balance remaining in your Card Account less any amounts owed to us (e.g., fees and charges). A check made payable to the Cardholder will be mailed to the Cardholder at the latest postal address reflected in our records. A fee may be imposed for refunding the remaining account balance by check (see the Schedule of Fees and Charges).

Unclaimed Property. For Card Accounts with no activity for three (3) years or such other period as may be prescribed by applicable state law, the funds in your Card Account will be presumed to be abandoned. Card funds in Card Accounts will be remitted to the custody of the applicable state agency in accordance with state law, and we will have no further liability to you for such funds unless otherwise provided by law. If this occurs, we may try to locate the Cardholder at the address shown in our records, so we encourage you to keep us informed if you change your address. You may notify us of a change of address by logging in to your Card Account at card.stableaccount.com or by calling Customer Service at 1-888-364-8430

If you do not tell us within 120 days after the alleged unauthorized transfer was credited or debited to your Card Account, you may not get back any money you lost after this period if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from learning of the unauthorized transaction and telling us, we will extend the time periods for a reasonable period in our sole discretion.

OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT MAY ALSO BE UNAVAILABLE IN ARBITRATION.

Agreement to Arbitrate. You and we (defined below) agree that any Dispute (defined below) will be resolved by Arbitration. This agreement to arbitrate is governed by the Federal Arbitration Act, 9 U.S.C. § 1 et seq., and the substantive law of the State of Minnesota (without applying its choice-of-law rules).

What Arbitration Is. "Arbitration" is a means of having an independent third party resolve a Dispute. A "Dispute" is any claim or controversy of any kind between you and us. The term Dispute is to be given its broadest possible meaning and includes, without limitation, all claims or demands (whether past, present, or future, including events that occurred prior to your application for a Sunrise Banks account or Card and whether or not a Sunrise Banks STABLE Prepaid VisaCard is provided to you, based on any legal or equitable theory (contract, tort, or otherwise) and regardless of the type of relief sought (i.e., money, injunctive relief, or declaratory relief). A Dispute includes, by way of example and without limitation, any claim based upon a federal or state constitution, statute, ordinance, regulation, or common law, and any issue concerning the validity, enforceability, or scope of this arbitration agreement.

For purposes of this arbitration agreement, the terms "you" and "your" include any Authorized Legal Representative, Cardholder, Authorized User, co-signer, co-obligor, or guarantor and also your heirs, guardian, personal representative, or trustee in bankruptcy. The terms "we," "our," and "us" mean either the Bank and include employees, officers, directors, members, managers, attorneys, affiliated companies, predecessors, and assigns the Bank as well as the marketing, servicing, and collection representatives and agents of either or both.

How Arbitration Works. If a Dispute arises, the party asserting the claim or demand must initiate arbitration, provided you or we may first try to resolve the matter informally or through customary business methods, including collection activity. The party filing an arbitration complaint must choose either of the following arbitration firms for initiating and pursuing arbitration: the American Arbitration Association ("AAA") or JAMS, The Resolution Experts. If the parties mutually agree, a private party, such as a retired judge, may serve as the arbitrator. If you claim you have a Dispute with us, but do not initiate arbitration or select an arbitrator, we may do so. You may obtain copies of the current rules of each of the arbitration firms and forms and instructions for initiating arbitration by contacting them as follows:

American Arbitration Association
1633 Broadway, 10th Floor
New York, NY 10019
Web site: www.adr.org
Telephone (800) 778-7879

JAMS, The Resolution Experts

Irvine, CA 92614
Web site: www.jamsadr.com
Telephone (949) 224-1810 or (800) 352-5267

In the event both AAA and JAMS are unavailable to decide a Dispute, the parties agree to select another neutral party experienced in financial matters to decide the Dispute. If such an independent arbitrator cannot be found, the parties agree to submit any Dispute to a state or federal judge, sitting without a jury, for resolution on an individual and not a class-wide basis.

The policies and procedures of the selected arbitration firm will apply provided such policies and procedures are consistent with this arbitration agreement. To the extent the arbitration firm's rules or procedures are different than the terms of this arbitration agreement, the terms of this arbitration agreement will apply.

What Arbitration Costs. No matter which party initiates the arbitration, we will advance or reimburse filing fees and other costs or fees of arbitration, provided each party will be initially responsible for its own attorneys' fees and related costs. Unless prohibited by law, the arbitrator may award fees, costs, and reasonable attorneys' fees to the party who substantially prevails in the arbitration.

Location of Arbitration. Unless you and we agree to a different location, the arbitration will be conducted in the county where you reside.

Waiver of Rights. You are waiving your right to a jury trial, to have a court decide your Dispute, to participate in a class action lawsuit, and to certain discovery and other procedures that are available in a lawsuit. You and we agree that the arbitrator has no authority to conduct class-wide arbitration proceedings and is only authorized to resolve the individual Disputes between you and us. The validity, effect, and enforceability of this waiver of class action lawsuit and class-wide arbitration, if challenged, are to be determined solely by a court of competent jurisdiction and not by the AAA, JAMS, or an arbitrator. If such court refuses to enforce the waiver of class-wide arbitration, the Dispute will proceed in court and be decided by a judge, sitting without a jury, according to applicable court rules and procedures, and not as a class action lawsuit. The arbitrator has the ability to award all remedies available by statute, at law, or in equity to the prevailing party.

Applicable Law and Review of Arbitrator's Award. The arbitrator shall apply applicable federal and Minnesota substantive law and the terms of this Agreement. The arbitrator must apply the terms of this arbitration agreement, including without limitation the waiver of class-wide arbitration. The arbitrator shall make written findings and the arbitrator's award may be filed with any court having jurisdiction. The arbitration award shall be supported by substantial evidence and must be consistent with this Agreement and with applicable law, and if it is not, it may be set aside by a court. The parties shall have, in addition to the grounds referred to in the Federal Arbitration Act for vacating, modifying, or correcting an award, the right to judicial review of (a) whether the findings of fact rendered by the arbitrator are supported by substantial evidence and (b) whether the conclusions of law are erroneous under the substantive law of Minnesota and applicable federal law. Judgment confirming an award in such a proceeding may be entered only if a court determines that the award is supported by substantial evidence and is not based on legal error under the substantive law of Minnesota and applicable federal law.

Survival. This arbitration provision shall survive: (1) cancellation, payment, charge-off, or assignment of this Agreement; (2) the bankruptcy of any party; and (3) any transfer, sale, or assignment of this Agreement, or any amounts owed under this Agreement, to any other person or entity.

Right to Opt-Out. *If you do not wish to agree to arbitrate all Disputes in accordance with the terms and conditions of this section, you must advise us in writing at the following address by either hand delivery or a letter postmarked within thirty (30) days following the date you enter into this Agreement. You may opt-out without affecting your application or cardholder status.*

Miscellaneous Provisions: We do not waive our rights by delaying or failing to execute them at any time. To the extent permitted by law and as permitted by the Waiver of Jury Trial and Arbitration above, you agree to be liable to us for any loss, costs, or expenses that we may incur as a result of any dispute or legal proceeding involving your Account. If a court finds any provision of this Agreement invalid or unenforceable, such finding shall not make the rest of this Agreement invalid or unenforceable.
