

Important information about opening a new account:

- Use this form to make an indirect rollover from a 529 College Savings account into an STABLE Account. In an indirect rollover, the withdrawn 529 College funds are given to the 529 College Savings Account Owner and then deposited by such Account Owner into the STABLE Account.
- You must deposit the amount you want to qualify as a rollover into the STABLE Account within 60 days of withdrawal from the 529 College Savings account.
- If a STABLE Account has not yet been established for the Beneficiary, the Beneficiary or his/her Authorized Legal Representative should sign up online at STABLEaccount.com or use an **Enrollment Form** before this form is completed.
- There's a \$15,000 annual rollover limit (less the amounts previously contributed by any person to the STABLE Account that count against the standard \$15,000 limit).
- All rollover assets will be counted against the standard \$15,000 annual contribution limit to the STABLE Account.
- The Beneficiary of the STABLE Account must be the same as the beneficiary of the 529 College Savings account or be an eligible "Member of the Family" of such beneficiary as defined by Section 529 of the Internal Revenue Code.
- The Beneficiary of the STABLE Account will also be the owner of the STABLE Account even if such Beneficiary was not the owner of the 529 College Savings account.
- Make sure you use black ink to type or print clearly in capital letters and do not staple the pages together.
