The Ohio Treasurer's office is pleased to announce that True Link Financial, Inc. ("True Link") has been selected to provide program management services for STABLE Account program.

Since its inception, True Link has been at the forefront of designing financial products and services for people living with disabilities. Through this new partnership, we believe True Link will present the STABLE Account program with a variety of new benefits, including:

- fee reduction for account holders;
- new revenue to grow the STABLE Account program;
- guaranteed future savings for account holders; and
- improved user experience.

True Link will begin providing program management services to the STABLE Account program on July 1, 2021.
